

ABOUT GLENN WILLIAMS:

Glenn graduated High School in Biloxi, Ms.in 1983. He joined the Army in 1984. He served 9 ½ years as an Quarter Master chemical and small engine equipment repairman. The Army sent him to MRC School. Nuclear Biological Chemical Training. He was trained in Hazmat, Hazwaper, and Emergency Response. While he was there he earned the rank of E-5 – Sergeant. Glenn left the Army in 1992. He started working at Interstate Chemical. Started as a production operator and worked his way up to facility maintenance manager. After 11 years there he decided he needed a change. Glenn then started working for the Chemical Depot. Glenn was a plant operator for 4 years. Now Glenn is now working for Pueblo West Metro, Utility Department.

Since Glenn has been with the District he has been an outstanding employee. He always willing to do anything you ask of him. He is great representative of the Districts Core Values.
