Pueblo West Committee of Architecture Approval

The PUEBLO WEST COMMITTEE OF ARCHITECTURE, INC. has reviewed subject submittal on this date and has approved said plans for 377-12-6 subject to the conditions checked and noted herein:

1. Submission of a stamped foundation plan to the PWCD office prior to excavation (additions, garages, if appropriate).
2. The approved landscaping plan (to include at least twenty-five (25) feet around the house, and all area disturbed by construction, is complete by 10/9/20 and the landscaping, including natural areas, is maintained thereafter. Any land disturbed beyond the scope of the landscaping plan shall be reclaimed with ground cover approved by the PWCOA. Until the landscaping is complete, weeds will be cut and kept under control.
- 2a. The approved landscaping plan for the entire lot is complete by _____, and the landscaping is maintained thereafter. Until the landscaping is complete, weeds will be cut and kept under control.
5. The horizontal support boards and the vertical posts for the fence are constructed to the inside of the property, or in a shadow box manner.
7. The accessory building addition is colored to match the dwelling and detached structures do not exceed 15' in height.
8. Prior to any excavation work, the property lines and construction area shall be clearly marked and a lavatory placed on the site. Adjacent lots shall not be disturbed or damaged by construction traffic and equipment. All trash shall be contained, containers emptied when full, and the construction area and the surrounding lots be kept free of construction debris.
9. Construction is completed within 180 days 90 days 60 days of the approval date of 4/9/20.
11. Additional provisions as follows:
 - a. that a more detailed landscape plan be submitted by _____.

OTHER: Structure must have at least 6" overhangs
or gutters

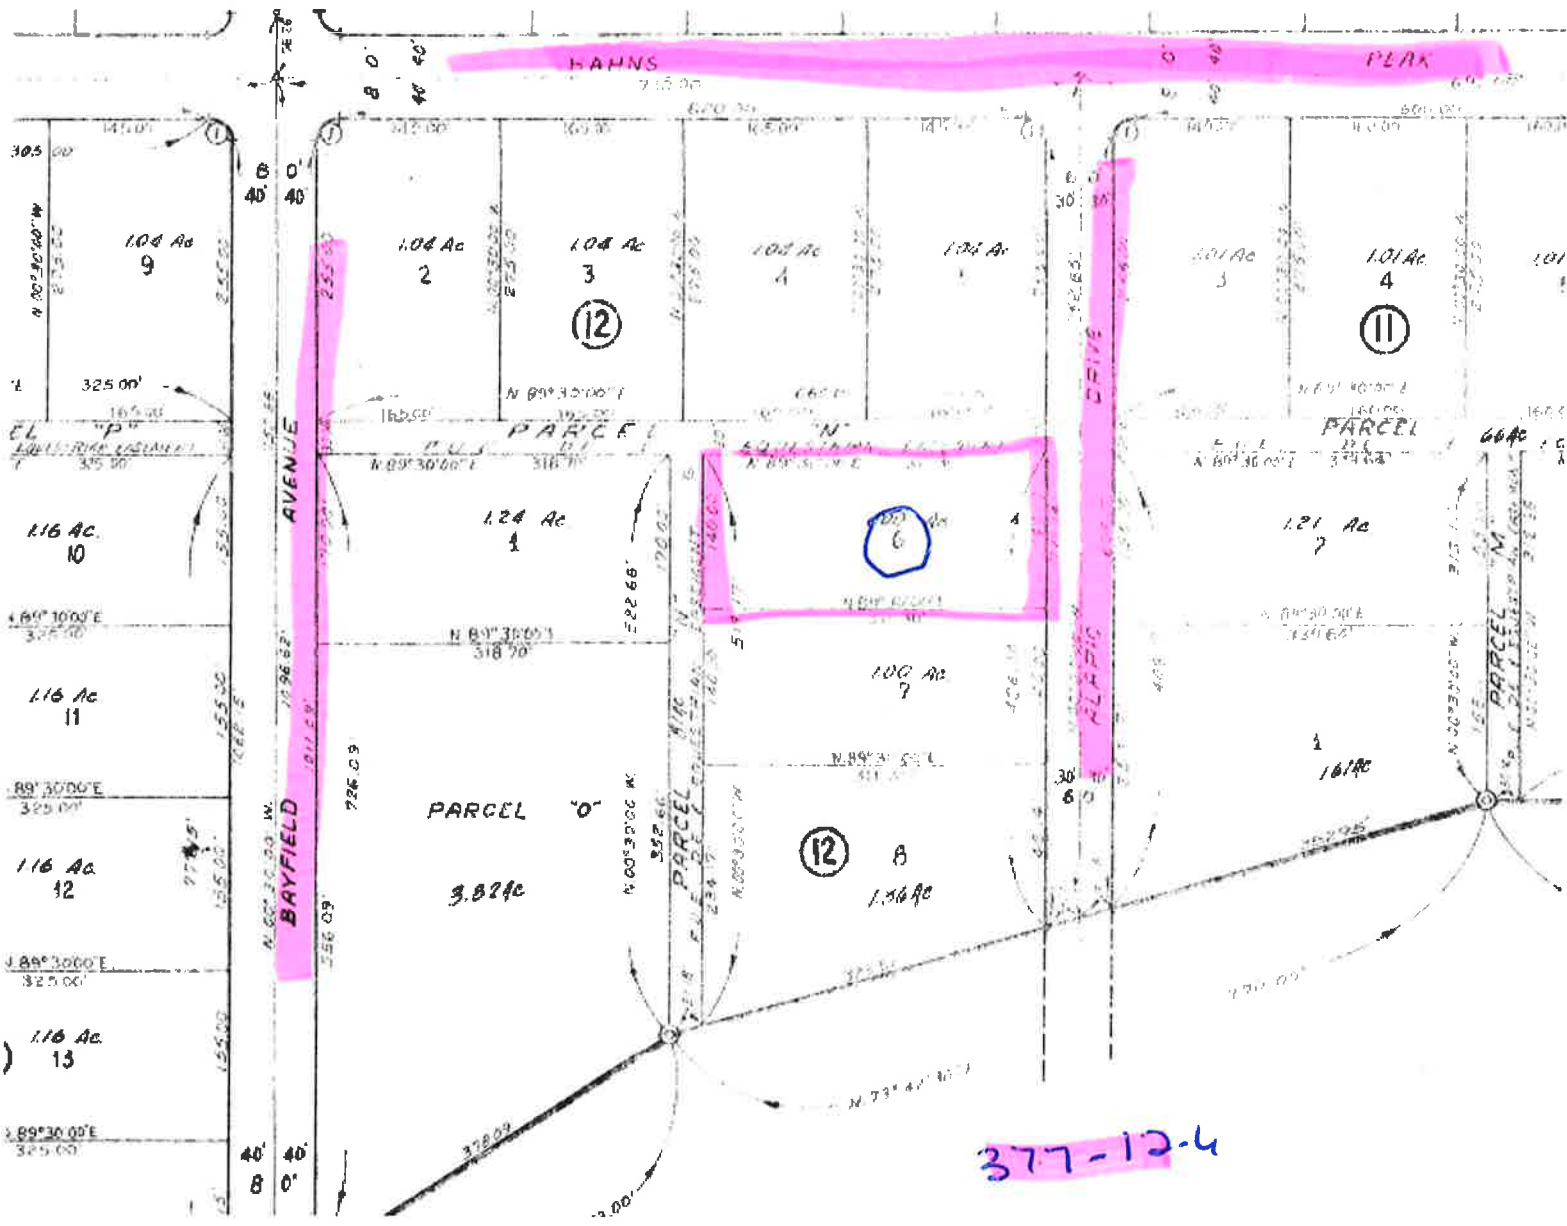

Any item not listed and shown on elevations and plot plan is not included in this approval.

A Regional Building permit, if needed, shall be obtained and construction shall commence within 30 days of the Committee's approval. If the permit is not obtained, this approval will be void, and the applicant shall be required to reapply for approval, which includes full fee payment. The actual construction period shall not exceed the approval time shown above without committee approval. *Failure to comply with these time limitations automatically terminates Committee approval.* It is subject to compliance with the Rules and Regulations if the Committee and with the Recorded Declaration of Reservations, requirements of the County of Pueblo, and State Statutes.

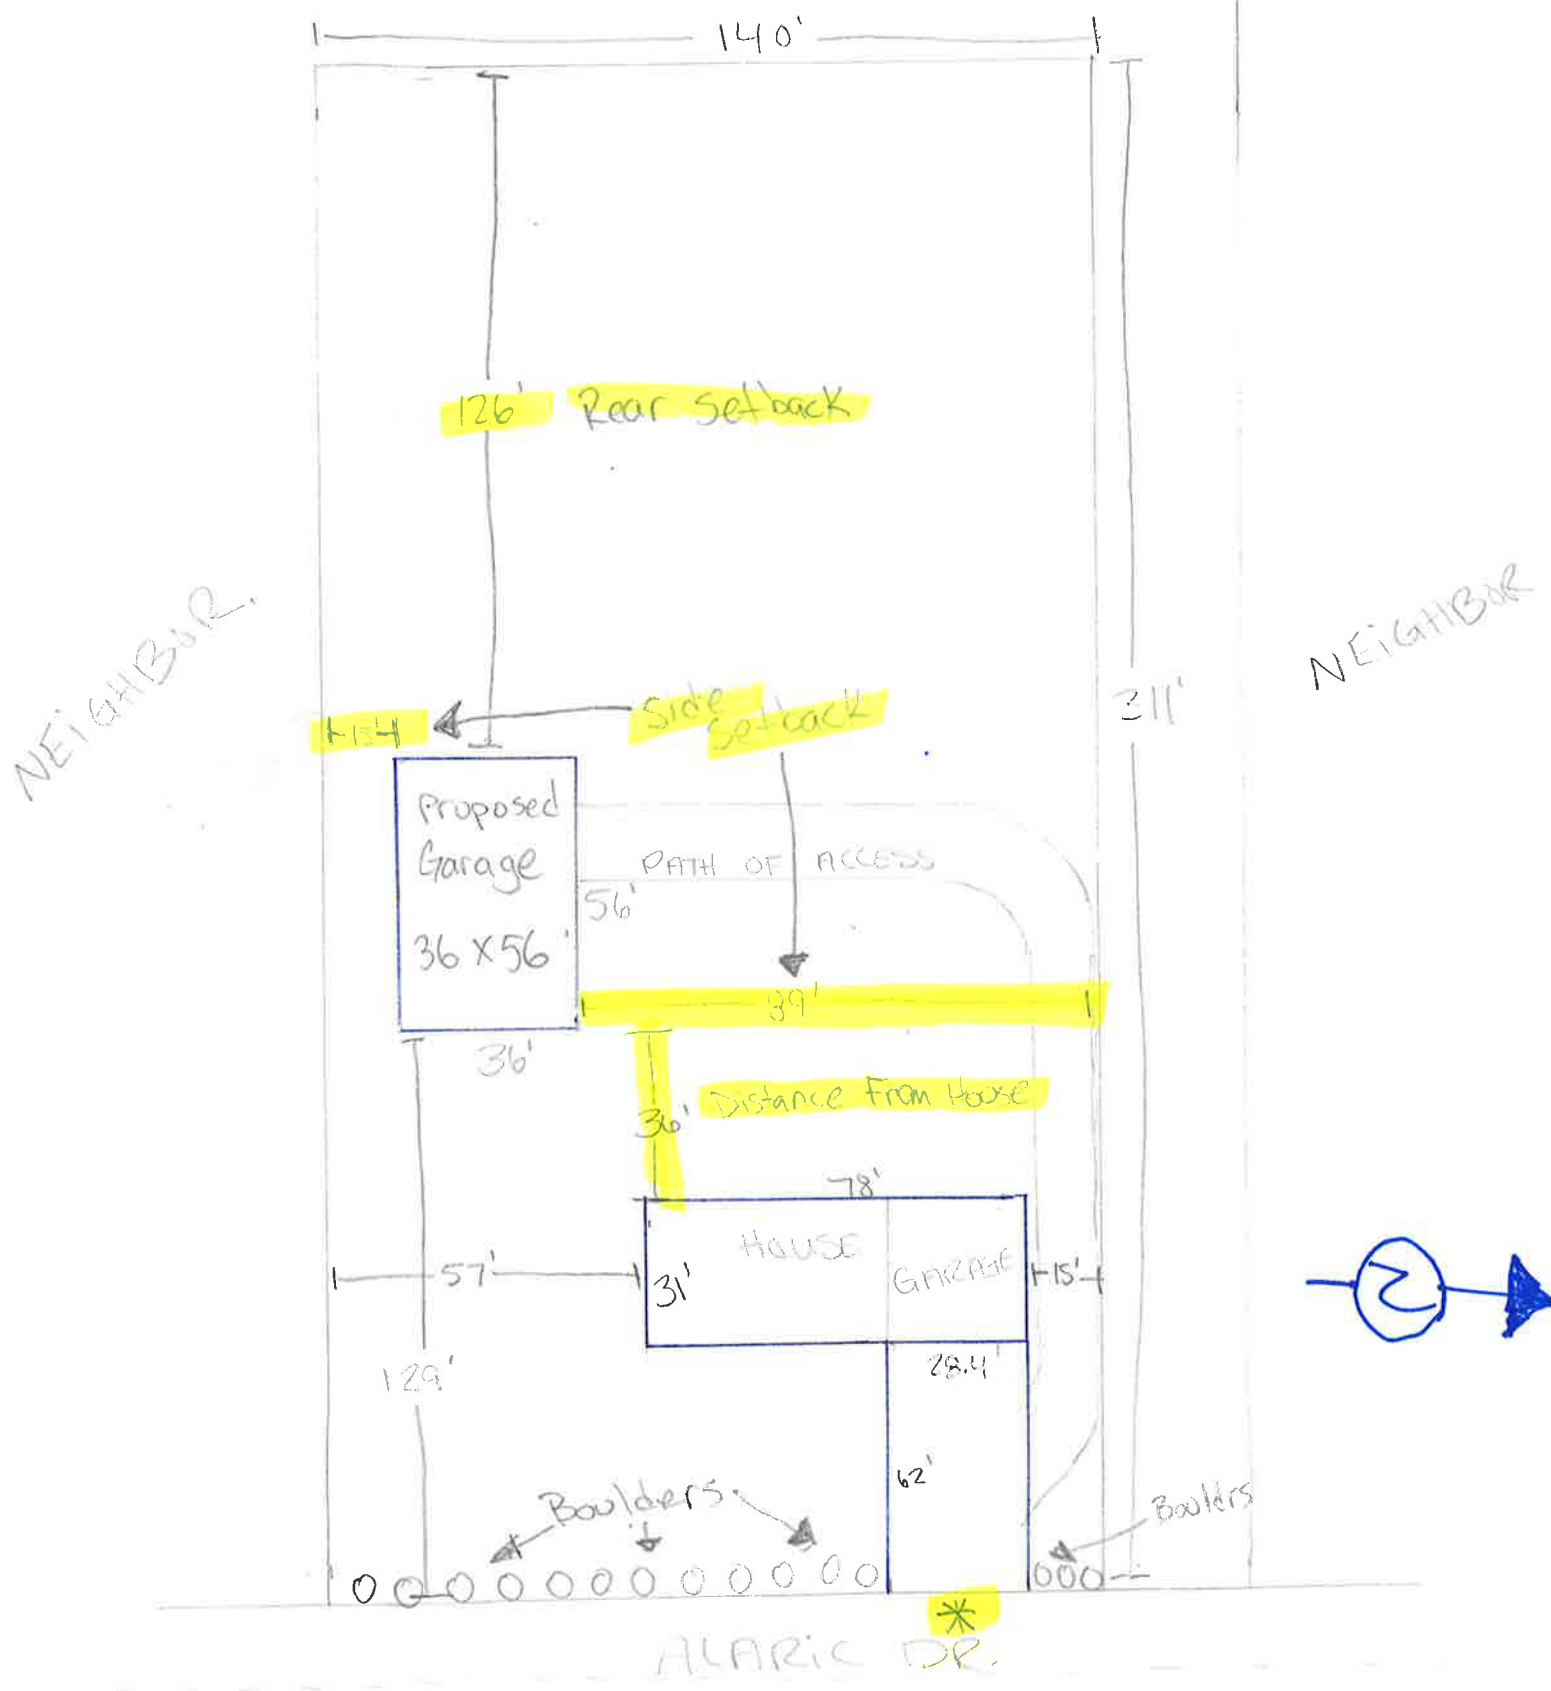

★★★★ Any change in the approved plans and specifications will automatically revoke this approval. ★★★★★
